Shalom Home Health Services is dedicated to the comprehensive assessment, care, and education of patients/caregivers in continuing an independent lifestyle in the comfort and privacy of their home while enjoying the stability and security of their familiar surroundings under the supervision of a licensed physician.

OUR MISSION

Our mission includes being an active part of the community by providing and continuously improving the home health care needs of the patient by delivering value driven quality care and giving life the quality it deserves.

Our team of experienced, dedicated, professional, licensed, skilled, and trained staff is committed to meeting the individual's health care needs. Shalom Home Health Services is dedicated to guiding you to a speedy recovery, promoting and preserving your health, and personal dignity.

In cooperation with the family and physician, we assess each patient's medical and personal needs and present a personal care program designed specifically to those needs.

Referrals are accepted from: wound care clinics, diabetes clinics, pain management clinics, social workers, case managements, friends, family members, patients, community workers management and rehabilitation institutions.
